Gaming Commission Issues Technical Corrections To 2003 Annual Report to The General Assembly

Jefferson City, Missouri, Thursday, October 9, 2003. Today at its telephonic meeting the Missouri Gaming Commission issued a statement correcting FY 2002 data published in its recently released FY 2003 Annual Report to The General Assembly. Nine pages in the report were adjusted to correct table win percentage and slot hold percentage figures for fiscal year ending June 30, 2002, for Ameristar KC (page 41), Ameristar St. Charles (page 43), Argosy Riverside Casino (page 45), Aztar (page 47), Harrah's Maryland Heights (page 49), Harrah's Kansas City (page 51), Isle of Capri Kansas City (page 55), President Casino on the Admiral (page 59) and St. Jo Frontier Casino (page 61).

Kevin Mullally, Executive Director for the Commission described the error as a transcription mistake in which figures were incorrectly downloaded. He apologized for any inconvenience the mistake had caused and informed the Commissioners that the copy of the report on the Commission's website would be corrected today and that attempts were being made to notify those who had already received copies of the report about the mistake.
